

Next Step to Success Weekly Update

Message from our Executive Director

James Harris

Happy New Year to our students, families, staff, and community partners! As we begin Week 18 and step into a new year, we are filled with excitement, gratitude, and renewed energy for what lies ahead at Next Step to Success.

We are thrilled to welcome our community partner Together We Can to our campus. Their presence and commitment to supporting our youth adds another layer of care, mentorship, and opportunity for our students. Partnerships like this strengthen our ability to meet students where they are and provide the academic, social, and personal supports they need to thrive.

As we move forward in 2026, please stay tuned for updates on additional community partners who are taking the “*next step*” with us. These

collaborations will continue to increase the rigor of our programming while expanding the supports available to our amazing Norfolk students.

Thank you for starting the new year with us. We look forward to continued growth, strong partnerships, and even greater impact in the months ahead.

Education Update

Dear NSTS Families,

I am excited to announce a new partnership between Next Step To Success and TCC's Apprenticeship Program, through which we will be offering a certification in Food Service Management. Youth who enroll in this program will be dually enrolled with both NSTS and TCC while continuing to maintain their regular academic curriculum with NPS. This opportunity allows students to gain valuable career skills, earn an industry-recognized certification, and explore workforce pathways while remaining on track academically.

As a reminder, grades will officially close on the 14th, and report cards should be sent home shortly thereafter. Once report cards are received, I will need a copy for our records, so please be sure to submit a copy to NSTS as soon as possible. We encourage families to review academic progress with their students and reach out with any questions or concerns as we prepare for the next grading period. Thank you for your continued support and partnership in your child's educational journey.

We didn't miss a beat as basketball and karate continued seamlessly, as if we never took a break. Our middle schoolers also had the opportunity to give back by volunteering at a local preschool, where they led small group activities and had a wonderful time connecting with the younger students.

The first week back was truly fantastic, and we can't wait to see all the great things our youth will accomplish in this new year!

we're excited to welcome families back to the updated space.
